IAM
Approaches

Welcome!

InCommon Learning and Collaboration

What's this all about?
Will it work for me?

How can I
learn the
details?

How can I get
started?

How can I
get support?

What are
others doing?

How can I
influence the
work?

Learn the basics
of Federation and
related software.

Get one-on-one
expert answers to
your questions.

Learn about each
of the InCommon
Trusted Access
Platform
components
(Shibboleth,
Grouper,
COmanage,
midPoint).

Refine your plan
with help from
experts and peers.

Get help to get it
done.

Finish with
education credit.

Ask community
experts questions
through traditional
methods.

Join a working group.

Meet the Catalysts.

Find out how you
can build on your
work by sharing and
comparing notes
with others.

Work with your
peers to guide
direction of the
services and
software.

- Introduction
- Campus Size
- Maturity Level

Lacey Vickery

University of North Carolina at Charlotte

- IAM Architect and UNC Charlotte
- 30,146 enrolled students.
Second-largest institution in the UNC System.
- Maturity Level, 3

UNC CHARLOTTE

The logo for Southern Methodist University (SMU) is displayed in a large, red, serif font. The letters 'S', 'M', and 'U' are prominent, with a registered trademark symbol (®) to the right of the 'U'. The logo is positioned on the left side of the slide, partially overlapping a light gray silhouette of the state of Texas.

work.

What's next for your
IAM team?

An abstract graphic on a black background. It features several vertical lines of different colors: brown, blue, olive green, purple, and teal. These lines are connected by horizontal segments, creating a network-like structure. At the ends of these lines are solid circles of the same color. The overall effect is that of a stylized circuit board or a network diagram.
