

INTERNET2

2022
TECHNOLOGY
exchange

Welcome!

Kevin M. Morooney
kmorooney@internet2.edu

- Thank you for coming
- We have loads of new people here
- Our team stands at the ready, our community stands at the ready

First, some personal business

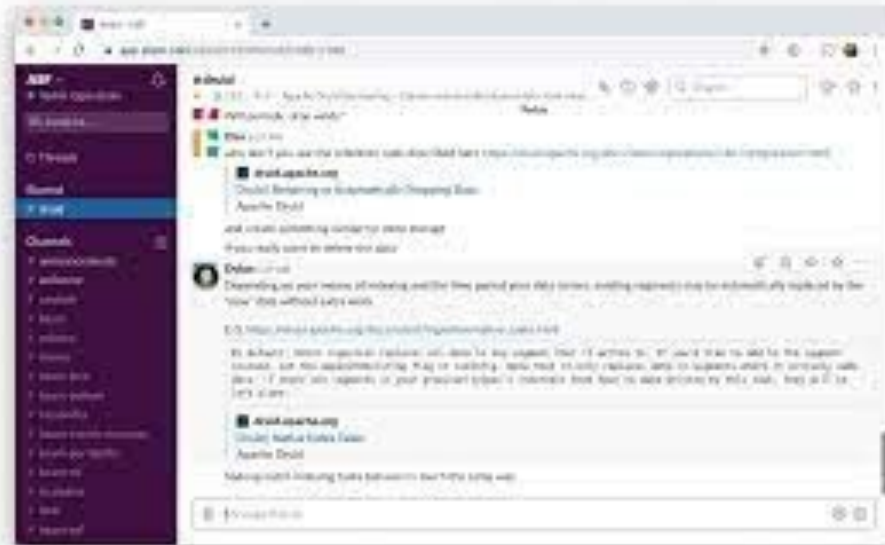

My father always said....

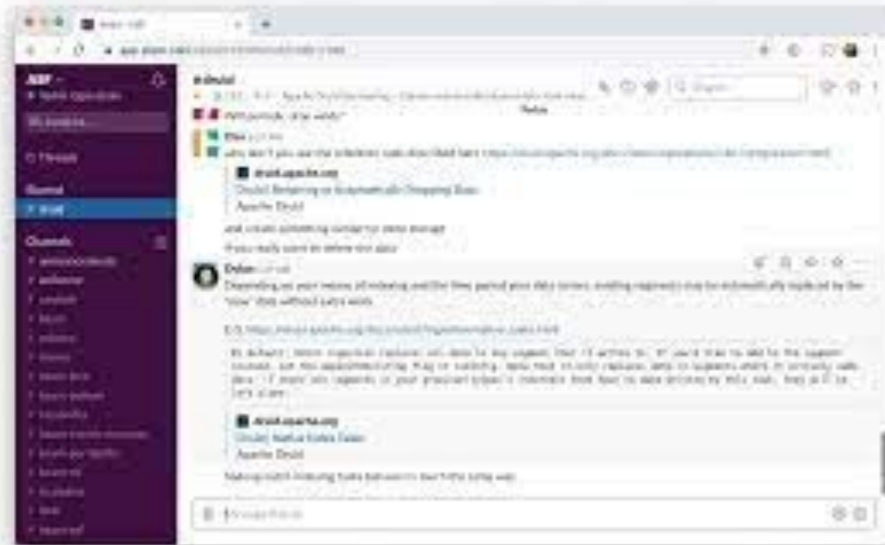

FIFA WORLD CUP Qatar2022

Now for some ~business

We use slack.

#whats-your-jam

This makes me very happy.

Why?

Why?

It's a place where people from all over the world come together to be themselves, share their passion with purpose, share their passion without judgement, appreciate old things anew, wonder at new things discovered.

It's a place where people from all over the world come together to be themselves, share their passion with purpose, share their passion without judgement, appreciate old things anew, wonder at new things discovered.
